

TONY KELLER, PARTNER

Mr. Keller grew up on a small farm in northwest Iowa. He then attended Wayne State College in Nebraska for two years before transferring to the University of Northern Iowa where he graduated with honors in 1994.

Mr. Keller started with OFWF in July 2000 and is currently a Partner. Tony enjoys the outdoors when he is not working, whether it be riding his Harley-Davidson motorcycle or playing a round of golf with friends. He also enjoys spending time with his three children and watching them grow, learn, and impact those around them, each in their own special way.

From a professional perspective, Mr. Keller enjoys working with OFWF's clients, helping them to plan and understand tax and financial transactions to assist them in running and growing their businesses successfully.
