

EVA WANG, STAFF ACCOUNTANT

Eva Wang, our staff accountant grew up in China and moved to South Dakota to pursue her master's degree in Biological Science. While attending school she worked as an analyst and fell in love with numbers "financial statements are stories written by numbers".

Upon graduation Eva moved to Omaha for the warmer weather and attended the University of Nebraska in Omaha and graduated with a Bachelor of Science degree in Business Administration. Her goal is to become a Certified Public Accountant (CPA). Her specialty is tax preparation.

Eva is very talented and speaks mandarin. The best advice she ever received was to never, never give up.

For fun she loves reading and going hiking with her dog Marshmallow (Melo for short), a boxer lab mix she rescued from the Nebraska Humane Society.
